

## Laptop Upgrade Slim, Fast, Efficient SSD

2.25mm Ultra-Slim

**14x faster** than SATA III SSD

Compatible with Intel/AMD Laptop PCs

## M.2 PCIe | S93 GEN4X4 NVMe

Introducing the addlink S93 Gen4x4 SSD, tailor-made for Intel and AMD laptops. With its 2.25mm ultra-slim profile from the on-side flash, the S93 cuts power consumption by over 35% compared to other Gen4x4 SSDs, making it a top choice for laptop enthusiasts. Enjoy read/write speeds of 7400/6500MB/s and random reads of 1000K IOPS. Ideal for professionals, content creators, or those on the hunt for superior storage, the S93, with capacities up to 4TB, is the optimal solution.

	Capacity	1TB	2TB	4TB
HARDWARE INFORMATION	Interface	PCIe 4.0 NVMe 1.4 Compatibility with PCIe 3.0 and many PCIe 5.0 slots		
	Form Factor	M.2 2280		
	NAND Flash	3D NAND Flash		
DIMENSIONS		80mm (L) x 22mm (W) x 2.25mm (H)		
PERFORMANCE	Seq. R/W (MB/s) up to	7200/6100	7400/6500	7400/6500
RELIABILITY	Operating Temp. MTBF	0°C ~ 70°C 1.5 Million hours		
FEATURES	SLC Caching, Host Memory Buffer (HMB), LDPC RAID ECC, SMRAT, TRIM, Thermal Throttling			
WARRANTY	5 Years Warranty			
ADVANCED FLASH MANAGEMENT	Advanced Wear Leveling, Bad Block Management, Over-Provision
